- Great guy! Very kind and knowledgeable, funny as well. Would definitely take another class with the same instructor :)
- The instructor is very kind and an excellent teacher. He put in a lot of effort into making sure the content was easy to understand and that every student was doing well in the class.
- i guess fun work assignments to practise and prepare us for the quizzes..
- Hands down, the most understanding professor ever.
- Great , and very understanding professor. Very organized and knowledgeable kind and helpful.
- GIVE HIM A BONUES and a 10,000 salary add on
- Dr. brocker made the class really interesting, and engaging
- One of the best professor's I've ever had, makes class enjoyable with teaching style and offered the most help outside of class I've ever had with a professor, even went as far as to help me create my schedule next semester. Professor Brocker went above and beyond this semester and I'd highly recommend him to any student in the future.
- Professor Brocker was very knowledge, helpful, understanding for students learning and needs. He is by far the most selfless professor to help you succeed. He is very approachable and funny, the best part about his funniness is hie is nonchalantness and subtleness when doing it. He should honestly be a comedy. Overall if you want a professor who cares, understands, and willing to help you in many ways shapes and forms inside and outside of the class then he is the go to professor. My hope for anyone who took his class is that you enjoyed each in your own way. For anyone is going to take or considering taking class ,I hope you find something to like about him as a professor and as a person. With that said even if you don't then I hope you get the best out of what your doing.
- An excellent professors that made an effort to present difficult material clearly.
- I liked the jokes.
- Funny, very knowledgeable and clear with his words.
