Last three questions:

21. InstructorComments Type: Short answer

Summary comments on instructor:

Number of users answered: 3

- Just really enjoy Professor Brockers lectures and how he teaches
- The instructor made it worth coming to class.
- best professor

22. LearningProcess Type: Short answer

Comments on the learning process:

Number of users answered: 4

- It was an enjoyable experience
- This course helped me learn a lot about myself.
- Course was very helpful
- easy

23. Improvement Type: Short answer

Please make any suggestions about how this course could be improved.

Number of users answered: 6

- Nothing needs to be improved it was very good overall.
- I think everything was great, no changes
- N/A
- I liked how we did resumes
- no improvement needed
- Nothing much, just making the Brightspace sections more clear to navigate would be good. Like, you could have a specific tab for assignments that are due at the end of the course to ease confusion. Or, marking each tab with week #'s to so we remember where we were last. Thanks.
